

Enrolment and Admissions Policy

1. RATIONALE:

FNPS is a medium-size primary school located in the inner western suburb of Footscray North and is approximately nine kilometres from the Melbourne CBD. The school caters for students from foundation (prep) to year 6. The enrolment has built to 360 students in 2016 and is predicted to build to beyond 560 by 2021. Due to an anticipated period of rapid growth over the next 5 years, an enrolment strategy has been developed to ensure we can accommodate families within our neighbourhood boundaries. This document also outlines the enrolment process so this policy can be implemented in a transparent and equitable, taking into account current and projected facility limitations.

2. PURPOSE:

To ensure that FNPS

- Enrols eligible students
- Maintains enrolment and admissions data
- Provides an efficient process of enrolment that satisfies the needs of both the students and the school

3. IMPLEMENTATION:

3.1 Enrolment and placement priority

All families may submit an enrolment form for their child, however placement is not always guaranteed. The priority order of placement at Footscray North Primary School is:

1. Students for whom the school is the designated neighbourhood school. Placement for these students is automatic and guaranteed.
2. Students with a sibling attending the school at the same time and living at the same permanent address. Placement for these students is automatic and guaranteed.
3. All other students, in order of closeness of their home to the school.
4. In exceptional circumstances, compassionate grounds.
5. Enrolment at Footscray North Primary School complies with all laws relating to discrimination, equal opportunity, privacy and immunisation.

3.2 Designated neighbourhood school

- In Victoria, all students have a designated neighbourhood school. This is the school nearest to the student's permanent address.
- In metropolitan areas, the nearest school is measured by a straight line from the student's permanent address.
- Each designated area is defined by a designated neighbourhood boundary.
- Designated school area map (Footscray North is the centre area (please see next page): This website may assist in identifying if you are within the designated school area: <http://melbourneschoolzones.com/>
- For further clarification please contact the school.

- Early age entry must be:

Enrolment requires parental consent, meaning that the enrolment form has to be signed by:

- Parent, as defined in the Family Law Act 1975
Note: In the absence of a current court order, each parent of a child who is not 18 has equal parental responsibility.
- Both parents for parents who are separated, or a copy of the court order with any impact on the relationship between the family and the school
- An informal carer, with a statutory declaration. Carers:
 - May be a relative or other carer
 - Have day-to-day care of the student with the student regularly living with them
 - May provide any other consent required e.g. excursions.
 - Notes for informal carer: statutory declarations apply for 12 months, the wishes of a parent prevail in the event of a dispute between a parent legally responsible for a student and an informal carer.
- When (parent) consent is disputed principals and staff should:
 - act in accordance at all times with the best interests of the student and the school community
 - act sensitively and realise that a resolution, satisfactory to both parents, may not be possible.

3.5 Immunisation

3.5.1 Schools are required to:

- Request information from parents on the immunisation status of each child, i.e. primary student, prior to enrolment i.e. official immunisation status certificate.
- Take a copy of the sighted document and record information on the immunisation status of each enrolled child.

3.5.2 Parents or guardians must provide an immunisation status certificate to the school regardless of whether the child is or is not immunised. Note: Homeopathic immunisation is not a recognised form of immunisation, and therefore cannot be listed on an immunisation status certificate.

3.5.3 Prospective students will not be prevented from enrolling in primary school if they have not been immunised.

3.5.4 Collecting immunisation status certificates will assist health authorities in protecting students in the event of a vaccine-preventable disease occurrence at the school. An unvaccinated student may be excluded from school for a period of time.
