

CONTRACT CLEANING POLICY

Rationale

- The process for bringing on contract cleaners depends on whether you're a metropolitan or regional school.
- A new area-based model for school cleaning starts from 1 July 2018.
- The new approach will ensure cleaning staff receive fair working conditions and industry standard pay and entitlements.
- Following a competitive tender process, we have selected these bidders to clean in Victorian metropolitan schools:
 - Southern Melbourne: Menzies Facility Services
 - Outer Eastern Melbourne: Tradeflex
 - Hume Moreland: Menzies Facility Services
 - Brimbank Melton: Shining Knight Facility Services
 - **Western Melbourne: ISS Facility Services**
 - Inner Eastern Melbourne: Spotless Integrated Facilities Services
 - North Eastern Melbourne: ISS Facility Services
 - Bayside Peninsula: Spotless Integrated Facilities Services
- On 30 April 2018, the Minister signed Ministerial Order No. 1127:

This means that Melbourne metropolitan government School Councils must provide school cleaning in accordance with the Department's approved cleaning arrangements, which start from 1 July 2018.
